1. Introduction

About the Application

93 Cross Fitness Gym & Spa is a **full-stack gym management web application** built for managing memberships, payments, class bookings, leads, expenses, inventory, notifications, and more. It features a stunning public-facing marketing website and a powerful admin dashboard.

Key Features

- **Marketing Website** — 10+ beautifully designed public pages showcasing services, trainers, pricing, schedule, gallery, blog, and contact
- **Secure Authentication** — Login, signup, forgot password with Supabase Auth
- **Member Portal** — Members can view their dashboard, book classes, track attendance, manage profile, and view payment history
- **Admin Panel** — Full gym management: members, payments, bookings, leads, notifications, expenses, inventory, and analytics reports
- **Fully Responsive** — Works on desktop, tablet, and mobile
- **WhatsApp Integration** — Floating WhatsApp button for instant contact

Live URLs

Resource	URL
Production Site	https://93-cross-fitness-gym.vercel.app
GitHub Repository	https://github.com/BhaveshtSolanki2611/93-Cross-Fitness-Gym
Supabase Dashboard	https://supabase.com/dashboard/project/oyuesibpjbqfmivsm1qz

2. Getting Started

For Visitors (Public)

Simply visit <https://93-cross-fitness-gym.vercel.app> to browse the website. No account needed to view:

- Services offered
- Trainer profiles
- Membership pricing plans
- Class schedule
- Photo gallery
- Blog articles
- Contact information

For Members

1. Visit the website and click **"Log In"** in the navigation or go to `/login`

2. Enter your registered email and password
3. You'll be redirected to the **Member Portal** at `/portal`

For Admin/Staff

1. Log in with your staff account at `/login`
2. You'll be redirected to the **Member Portal** first
3. Navigate to `/admin` or click the **"ADMIN PANEL"** button

Admin Login Credentials

Field	Value
Email	admin@93crossfitness.com
Password	Admin@93Cross!
Role	Super Admin

3. Public Website (Marketing Pages)

3.1 Home Page (/)

The landing page features:

- **Hero section** with animated heading "FORGE YOUR STRONGEST SELF"
- **Google Review badge** — 4.8 stars with 199+ reviews
- **CTA buttons** — "Claim Your Free Trial" and "View Membership Plans"
- **Why Choose Us** section highlighting unique selling points
- **Services overview** with cards
- **Testimonials** from real members
- **WhatsApp floating button** (bottom right corner)

3.2 About Page (/about)

- Gym story and mission
- Team introduction
- Facility highlights
- Values and culture

3.3 Services Page (/services)

- Grid of all available services with images
- Each service card links to a detailed individual page
- **Individual Service Pages** (/services/[slug]) include:
 - CrossFit, HIIT, Personal Training, Weight Training
 - Yoga, Pilates, Zumba, Kickboxing
 - Nutrition Counseling, Spa & Recovery, Sports Conditioning, Kids Fitness

3.4 Trainers Page (/trainers)

- Profiles of all 6 certified trainers:
 - **Rohit Verma** — Head Coach (CrossFit, Strength)
 - **Sneha Kapoor** — Yoga & Wellness Lead
 - **Amit Sharma** — HIIT & Kickboxing
 - **Pooja Nair** — Zumba & Dance Fitness
 - **Karan Patel** — Sports Performance
 - **Divya Menon** — Nutrition & Pilates
- Each card shows photo, specialization, certifications, and bio

3.5 Pricing Page (/pricing)

Four membership tiers displayed in attractive cards:

Plan	Monthly	Quarterly	Annual
Basic	Rs.1,999	Rs.4,999	Rs.17,999
Pro	Rs.2,999	Rs.7,999	Rs.27,999
Elite	Rs.4,999	Rs.13,999	Rs.49,999
VIP	Rs.9,999	Rs.24,999	Rs.89,999

Each plan details included features with checkmarks.

3.6 Schedule Page (/schedule)

- Weekly class timetable organized by day
- Shows class name, trainer, time, and intensity level
- Color-coded by category

3.7 Gallery Page (/gallery)

- Photo grid of gym facilities, equipment, classes in action
- High-quality images of the gym interior

3.8 Blog Page (/blog)

- List of articles with thumbnails and excerpts
- Individual blog post pages (/blog/[slug])
- Topics include fitness tips, nutrition, CrossFit vs HIIT comparisons

3.9 Contact Page (/contact)

- **Contact form** with fields: Name, Email, Phone, Interest (dropdown), Message
- Submitting creates a **Lead** in the admin panel automatically
- **Gym address**: Sector 82, Faridabad, Haryana
- **Phone and email** information displayed

3.10 Additional Pages

- **FAQ** (/faq) — Frequently asked questions with accordion UI
- **Join** (/join) — Membership booking form
- **Fitness Tools** (/tools) — BMI calculator, calorie estimator
- **Privacy Policy** (/privacy), **Terms** (/terms), **Refund Policy** (/refund)

4. Authentication System

4.1 Login (/login)

- **Email + Password** login form
- "Forgot password?" link for account recovery
- "Create an account" link for new users
- On success, redirects to Member Portal or Admin (based on role)

4.2 Sign Up (/signup)

- Registration form: **Full Name, Phone, Email, Password**
- Password validation (minimum length, complexity)
- Email verification via Supabase Auth

- New users get the **"member"** role by default

4.3 Forgot Password (`/forgot-password`)

- Enter email to receive a password reset link
- Secure reset flow via Supabase Auth

4.4 Sign Out

- Click **"SIGN OUT"** button (visible in Portal header and Admin sidebar)
- Clears session and redirects to login page

4.5 Role-Based Access

Role	Portal Access	Admin Access
member	Yes	No
trainer	Yes	Yes
receptionist	Yes	Yes
manager	Yes	Yes
admin	Yes	Yes
super_admin	Yes	Yes (full)

5. Member Portal

The Member Portal is the authenticated area where gym members manage their account.

5.1 Overview Dashboard (`/portal`)

The main portal page shows:

- **Welcome message** with member name
- **4 KPI cards:**
 - **Membership** — Current plan name and member code (e.g., GX-000001)
 - **Days Remaining** — Countdown to renewal with renewal date
 - **Total Check-ins** — Lifetime check-in count with start date
 - **Status** — Active/Expired with subscription type

- **Recent Payments** — Last payments with invoice numbers and amounts

5.2 Book Classes (/portal/classes)

- View available classes organized by **Today**, **Tomorrow**, and upcoming days
- Each class card shows:
 - Class name (e.g., "Olympic Lifting", "Vinyasa Flow", "Zumba")
 - Time slot (e.g., 6:00 AM to 7:00 AM)
 - Trainer name
 - Intensity level (High/Medium/Low)
 - **Spots remaining** count
- Click "**BOOK**" button to reserve a spot

5.3 Membership (/portal/membership)

- View **current plan** details (plan name, term)
- **Validity date** — when the membership expires
- **Last payment amount**
- Instructions to renew at the front desk or via WhatsApp

5.4 Payment History (/portal/payments)

- Full table of all payments:
 - **Date** — Payment date
 - **Invoice** — Invoice number (e.g., INV-2026-000001)
 - **Method** — CASH, UPI, CARD, etc.
 - **Status** — paid/pending/refunded
 - **Amount** — in INR

5.5 Attendance (/portal/attendance)

- Monthly visit count with motivational message
- History of all check-ins recorded by admin
- "No check-ins recorded yet" if empty

5.6 Profile (/portal/profile)

- View and edit personal information:
 - **Email** (read-only, login identifier)
 - **Full Name** (editable)

- **Phone** (editable)
- Click "**SAVE CHANGES**" to update

6. Admin Panel

The Admin Panel is the backbone of gym management. Only staff-role users can access it.

6.1 Dashboard (`/admin`)

The admin homepage shows a real-time overview:

- **6 KPI Cards:**
 - **Active Members** — Count of members with active subscriptions
 - **Expiring in 7 Days** — Members needing renewal soon
 - **Revenue This Month** — Total payments collected
 - **Pending Bookings** — Bookings awaiting confirmation
 - **New Leads** — Uncontacted leads from website
 - **Check-ins Today** — Today's attendance count
- **Latest Bookings** — Recent booking requests with quick actions

6.2 Members Management (`/admin/members`)

Viewing Members

- **Search bar** — Search by name, phone, or member code
- **Status filter** — Filter by All statuses, Active, Expired, etc.
- **Member table** with columns: Member, Code, Plan, Valid Till, Status, Visits, Actions

Actions per Member

- **Edit** — Opens member edit form (`/admin/members/[id]`)
 - Edit: Full Name, Email, Phone, Member Code
 - Change: Plan, Status, Join Date, End Date
 - Save changes with validation
- **Check-in** — Record a gym visit/attendance
- **Add Member** — Top-right CTA button to create new member

6.3 Payments (/admin/payments)

Revenue Summary

- **Today's Revenue** — Cash collected today
- **This Month's Revenue** — Running monthly total

Record a Payment

Form fields:

1. **Member** — Dropdown selector (all members)
2. **Amount (Rs.)** — Payment amount
3. **Method** — CASH, UPI, CARD, NEFT

Renew Subscription (Optional)

When recording a payment, optionally renew the member's plan:

1. **Plan** — None, Basic, Pro, Elite, VIP
2. **Term** — Monthly, Quarterly, Annual
3. Click "**RECORD**" to save

Payment History Table

- All payments listed with: Date, Member, Invoice, Method, Status, Amount

6.4 Bookings (/admin/bookings)

- **Filter tabs:** All, Pending, Confirmed, Completed, Cancelled
- Each booking shows:
 - Requested date
 - Contact name, phone, email
 - Type (Membership, Trial, PT, Spa)
 - Preferred date
 - Status badge
- **Actions:** Confirm, Complete, or Cancel bookings

6.5 Leads (/admin/leads)

- Leads from the Contact page form arrive here
- **Filter tabs:** All, New, Contacted, Trial Booked, Converted, Lost
- Each lead shows:
 - Received date

- Contact info
- Interest area
- Current status
- **Actions:** Update lead status, add notes

6.6 Notifications (/admin/notifications)

Compose Notifications

- **Channel** — WhatsApp, Email, SMS
- **Member** — Select specific member (optional)
- **To** — Phone number or email auto-fills from member
- **Message** — Free text message
- Click "**SEND**" to dispatch (simulated without API keys)

Bulk Fee Reminders

- One-click button to notify members whose subscription:
 - Expires within 7 days
 - Lapsed in the last 3 days

Notification Log

- History table: When, Member, Channel, Template, Status (sent/simulated/error)

6.7 Expenses (/admin/expenses)

This Month Summary

- Total expenses for the current month displayed prominently

Add Expense

- **Category** — Rent, Utilities, Equipment, Salaries, Marketing, Maintenance, Other
- **Amount (Rs.)** — Expense amount
- **Date** — When the expense occurred
- **Note** — Optional description (e.g., "AC repair")
- Click "**ADD EXPENSE**" to save

Expense Table

- All expenses listed with: Date, Category, Note, Amount
- **Delete** button to remove incorrect entries

6.8 Inventory (/admin/inventory)

Add Item

- **Item** — Name (e.g., "Treadmill — Matrix T50")
- **Category** — Equipment, Supplements, Merchandise, Cleaning
- **Qty** — Quantity count
- **Maintenance due** — Next maintenance date
- Click "**ADD ITEM**" to save

Inventory Table

- Item, Category, Status (In Stock/Low Stock), Maintenance Due, Qty
- **Delete** button to remove items

6.9 Reports & Analytics (/admin/reports)

Visual analytics dashboard with:

KPI Summary Cards

- **Revenue YTD** — Year-to-date total revenue
- **Expenses YTD** — Year-to-date total expenses
- **Net YTD** — Revenue minus expenses (profit)
- **Avg Payment** — Average payment amount

Charts

1. **Revenue vs Expenses (6 Months)** — Line/bar chart comparing income to costs over 6 months
 2. **New Members** — Bar chart showing member sign-ups per month
 3. **Active Plan Mix** — Donut/pie chart showing distribution of membership plans (Basic, Pro, Elite, VIP)
-

7. Technical Architecture

Tech Stack

Layer	Technology
Frontend	Next.js 16 (App Router), React 19
Styling	Tailwind CSS v4, Custom design system
Database	PostgreSQL 17.6 (via Supabase)
Auth	Supabase Auth (email/password)
Backend	Next.js Server Actions, API Routes
Charts	Recharts
Animations	Framer Motion
Icons	Lucide React
Hosting	Vercel (production), Supabase (database)

Database Tables

Table	Purpose
profiles	User profiles (linked to Supabase Auth)
members	Gym member records with plans and codes
payments	Payment records with invoices
bookings	Class/trial/PT bookings
attendance	Check-in records
leads	Contact form submissions
expenses	Operating cost tracking
inventory	Equipment and merchandise
notifications_log	Sent notification history
subscriptions	Subscription plan history
schedule	Class schedule definitions

Security

- **Row Level Security (RLS)** enabled on all tables
- **Supabase Auth** for authentication
- **Server-only** database access for admin operations
- **CSRF protection** via Next.js server actions
- **Environment variables** for all secrets (never exposed client-side)

8. Deployment & Hosting

Production Deployment

The application is deployed on **Vercel** with automatic deployments:

Setting	Value
Platform	Vercel
Project	bhaves-h-solankis-projects/93-cross-fitness-gym
Framework	Next.js (auto-detected)
Region	Washington D.C. (iad1)
Build Command	next build
Output Directory	.next

Environment Variables (Production)

All environment variables are configured in Vercel:

- DATABASE_URL — PostgreSQL connection string
- NEXT_PUBLIC_SUPABASE_URL — Supabase project URL
- NEXT_PUBLIC_SUPABASE_ANON_KEY — Supabase public key
- SUPABASE_SERVICE_ROLE_KEY — Supabase admin key (server-only)
- NEXT_PUBLIC_SITE_URL — Production URL
- CRON_SECRET — Auth token for scheduled cron jobs

Running Locally

```
# 1. Clone the repository
git clone https://github.com/Bhaves-h-solanki2611/93-Cross-Fitness-Gym.git
cd 93-Cross-Fitness-Gym

# 2. Install dependencies
npm install

# 3. Create .env.local with your Supabase credentials

# 4. Start development server
npm run dev

# 5. Open http://localhost:3000
```

9. FAQ & Troubleshooting

Q: How do I add a new staff member?

A: Create a user account via the Sign Up page. Then, in the Supabase Dashboard, update their profiles table role to admin, manager, trainer, or receptionist.

Q: How do I change a member's plan?

A: Go to Admin Panel → Members → Click the edit (pencil) icon → Change the Plan dropdown → Save.

Q: How do I record a payment and renew subscription together?

A: Go to Admin Panel → Payments → Select the member, enter the amount and method. In the "Renew Subscription" section, select the new plan and term, then click "RECORD".

Q: Why are notifications in "simulated" status?

A: Without WhatsApp/SMS/Email API keys configured, notifications are logged as "simulated". The message content is still saved for record-keeping. Configure provider APIs for real delivery.

Q: How do I add a custom domain?

A: In Vercel Dashboard → Project Settings → Domains → Add your domain and configure DNS records.

Q: How do I update the class schedule?

A: The class schedule is currently managed via the schedule database table. Update entries in the Supabase Dashboard table editor.

Q: Contact form submissions don't appear in Leads?

A: Ensure the leads table exists in your Supabase database and that the forms.ts server action is correctly inserting records.
